Paid Time Off (PTO)

ESI provides compensated leave for vacation, personal and sick time as one comprehensive bucket identified as “Paid Time Off” or PTO. All full-time (2,080+ hours), salaried employees are eligible for PTO from their first day of work, accrued per pay period based on years of service with the company. After one (1) year of service, *pro re nata* (PRN) employees qualify for PTO, accrued in one lump sum annually, based on the number of years of service and the number of hours worked *in the prior calendar year*. The table below identifies the PTO accrual based on years of service and annual hours worked.

Hours Worked	680	1040	1560	Full Time, Salaried
From Start	-	-	-	128 Hours
After 1 year	40 Hours	64 Hours	96 Hours	128 Hours
After 2 years	56 Hours	80 Hours	120 Hours	160 Hours
After 5 years	64 Hours	100 Hours	150 Hours	200 Hours
After 10 years	64 Hours	100 Hours	150 Hours	240 Hours

PTO may be taken in 4- or 8-hour increments. A maximum of 8 hours of PTO may be claimed per 24-hour period. PRN employees may claim PTO at any time of year, including during a work leave of absence. Likewise for PRN employees, PTO is always paid at the “straight time” rate and does not contribute to “hours worked” for the calculation of hours eligible for overtime wages, regardless of when it is recorded in the pay week.

Accrued, unused PTO for all staff is rolled from one year to the next, up to a maximum of 320 hours’ worth, after which the excess amount is paid out to the employee. All accrued, unused PTO is paid out upon an employee’s departure from the organization.

Accrued, unused PTO for PRN staff the is not used by January 31 is automatically paid out to the employee.
