All full-time (2,080+ hours), salaried employees are eligible for PTO from their first day of work, accrued per pay period based on years of service with the company. After one (1) year of service, *pro re nata* (PRN) employees qualify for PTO, accrued in one lump sum annually, based on the number of years of service and the number of hours worked *in the prior calendar year*. The table below identifies the PTO accrual based on years of service and annual hours worked.
